HARBOR IN THE PEMAQUID REGION IS THE ORIGIN OF MANY A LOCAL LOBSTER DINNER.

Selectmen's Meeting

BUILDING FOUND NUISANCE

Mattapoisett Selectmen directed the owner of a burned building on Route 6 across from Old Rochester Regional Junior High School to board up the windows and doors so that no one can enter and to purchase liability insurance in the amount of $100,000, for the protection of the town. The building is in the process of tax taking and the town officials consider that this makes the liability insurance necessary. Attorney Abraham Rusitsky representing the holder of the mortgage on the building asked for a delay of 4 months before Selectmen order the building rased. He said that Mrs. Stenendo's nephew considers it possible to rebuild the house and this delay would allow time to get reconstruction underway. Building Inspector Jonathan DePina said the building is beyond saving. He said

that the building is dangerous and recommended that it be removed. He said that rebuilding would have to start with a new foundation. Attorney Rusitzky was unable to say whether his client would be willing to bear the cost of the insurance policy since she lives in Chelsea and would have to be consulted. Town Counsel Donald Fleming stated that she might take the option of paying the delinquent taxes and gain title and remove the town's obligation making the policy unnecessary.

The Board granted the 4 months delay of action under the boarding up and liability insurance policy conditions.

HEUBERGER'S ASKS LICENSE

The owners of package stores in Mattapoisett attended the hearing on the application of Milton Heuberger d/b/a Heuberger's Meats on Route 6, Mattapoisett, and declared themselves in opposition to the granting of the Seasonal All Alcoholic license. Mr. and Mrs. Wallace Underwood, owners of the Cask & Keg, objected on the grounds that Heuberger's is selling beer and wine at prices that they consider below a good profit level. They agree that Heuberger's could not live on the profit if that were the sole product of the business. Robert Wood, owner of Romeo's, supported the

Underwoods' claim that Heuberger's prices are below the level necessary to maintain a business. According to Mr. Underwood, Heuberger's is selling beer and wine below the price of a New Bedford discount liquor store. Milton Heuberger replied that he was not aware of this but that, if so, it might bring business into the town and that much of Heuberger's business did come from out of Mattapoisett anyway. Richard Lima, former owner of Romeo's, said that, prices aside, the consideration should be on need. He asked the question, "If no store existed (Heuberger's) would the best interest of the town be served to issue a license for that location?" Tom Matthews and his father, Irving, proprietors of Freddie's Package Store, both stated that Heuberger's is too close to their store to warrant a license. They said that between the package stores already in existence they serve the town's needs. John Pagenkopf, local insurance man, said that free enterprise should be served. He said that other businesses have to meet competition wherever it appears. He said that Heuberger had taken

Underwood pointed out that the license when in operation previously had been almost on the Fairhaven line.

Milton Heuberger said that his business draws much volume from out of town and from passersby on Route 6. He has facilities to park many cars and has no interest in driving other business out.

The Selectmen concluded the hearing taking the matter under advisement.

RESCUE SQUAD MEETING

The Mattapoisett Rescue Squad represented by Walter Morgado, Michael Hickey and Donald Linhares, spokesman, reported to Selectmen that they have ordered the "Jaws of Life" after the successful drive to obtain that life saving tool. Linhares said that the squad has a new rescue truck after 6 years of hard work. He asked the Board of Selectmen to assume direction of the squad. He said that the unit wanted to continue as a volunteer organization and asked no money from the town at this time. Linhares said that, operating under the Selectmen, they could consult with and

Both Walter and Peggy Tomkiewicz say they like banking with us because of the many, many services we provide and the way we treat them.

Whether they bank inside, or outside at one of our drive-up windows, doesn't matter. The Tomkiewiczes, like so many of our customers, would rather take a few minutes longer to drive to our place than bank at several others closer to home.

The way we see it — just like the Tomkiewiczes of North Dartmouth — there are banks and there is our bank.

Even the younger members of the family — John and Patricia — like banking with us.

receive direction and liability coverage for unpaid volunteer members from the town which accepted and maintains the rescue truck. Chairman R. William Blasdale congratulated the squad on its 6 years of achievement and stated that it was one of the finest in the area.

FIRE DEPARTMENT LETTER

Fire Chief Paul Bradley sent a copy of a letter directed to the Board of Appeals requesting a meeting to discuss the possibility of an addition to the Fire Station. It was noted that the present ambulance and the rescue truck would have to be parked outside with no protection. The Board will set up a meeting with the Chief to hear his ideas. Selectman William Hubbard offered the opinion that an addition has been turned down before and is not the answer. He stated that the need has been apparent for a long time for a building for safety vehicles and that available property in the village is fast being used up.

DOG LAW DISCUSSED

Selectmen discussed a complaint by Mr. Hill of Point Connett with Dog Officer Penny Hiller. She said that she responded to complaints in the summer colony but did not go out in patrol search for dogs on the loose. She asked that a cement floor be put on the kennel so that dogs could not tunnel out and become lost. The Selectmen will obtain an estimate.

1 A.M. CLOSING MEETING DENIED

Selectmen see no purpose to be served in another meeting concerning the 1 A.M. closing hour for establishments serving liquor. Chairman Blasdale said that Mr. Branco, who made the request, could write a letter informing the Board of any points not already expressed in the previous series of meetings on this subject.

SHELLFISH AREAS CLOSED

Joseph Almada, shellfish constable, requested the closing of shellfish beds from Point Connett across to Nye's Cove as of September 7th which was voted.

Many town children were involved in this past summer's funded project so we all welcome the opportunity to hear about this exciting and innovative program.

DUFF PLUMBING ANNOUNCES

We have added another truck to our fleet expressly for the Marion, Wareham & Rochester area residents. We have had such an increase in calls that **we have decided to install a direct, toll-free "'Hot Line"** for these customers. We have **our plumber, Chet, who is a local resident** and knows the area well. He will have a well-stocked supply of plumbing needs right at hand.

Are you disappointed to find yourself waiting two days for a plumber, then have him arrive with a helper to carry the tool box, and receive a bill for two men? We pride ourselves on sending one man on service calls.

We take good care of our old customers; it is new customers we are looking for.

There are fees for all courses with the exception of the Cardiac Pulmonary Resuscitation course which is free.

Semester I starts September 27 and continues through November 29; Semester II starts January 3 and continues through March 14th. The exhibition will be held March 21st or 28th depending on whether a make-up class has to be held on a regular class night due to inclement weather/no school.

Any person sixteen years of age or over may enroll. The courses actually given will be determined by paid registrations. Class size will be limited in some courses. Students are not permitted to repeat any Evening Practical Arts course. If at any time enrollment drops below 80% the continuation of the class will be questioned. Because of the large enrollments, it frequently is found impossible to accommodate all who seek instruction. In such instances when vacancies occur in the classes they will be filled from the waiting lists. If a class should fail to meet due to lack of enrollment, your registration fee will be refunded by check, or you may select another course.

Sippican Choral Society

When the Bach "Magnificat" was first performed in 1732 the audience sensed they were experiencing something tremendously significant. People from the area who join the Sippican Choral Society will have that thrill also, since the chorus has the "Magnificat" on its agenda this year along with other exciting plans.

Membership is open through September 26 in this group directed by Peter A. West of Mattapoisett that began warming up last Monday night. Rehearsals will be held every Monday at 7:30 P.M. in the Marion Congregational Church Parish Hall and all are welcome.

They plan to do the "Magnificat" in December, followed later by a "Messiah Sing", an appearance with the Regional Symphonic Band, and a spring event of their own making.

A nominal membership fee is charged.

As Paul Morse of Marion, president, puts it: "Try it! You might like it!"

well. Hostesses for the event included the Mmes. Frederick Bacon, Nancy Childs, Philip Dean, Joseph Florindo, George Glaser, Arthur Griffin, James Hitchcock, Raymond Morse, Jack Robb, Betty Sawyer, Dennis Tottenham, Hoyt Watson, James Wickenden.

A Service of Blessing and Dedication was held the following afternoon at the new home of the Marion Center for Human Services with the Rev. Robert Singer, minister of the First Congregational Church of Marion, officiating. Rev. Singer is a "long-time valued friend" of the Center. Present at the Dedication were Mrs. Matthews, members of the staff, members of the Board of Directors, and "friends" of the Center who have "donated time and effort" in helping to move the agency to its new location.

All attending gathered in the large downstairs meeting room to join in the Dedication Program led by Rev. Singer in prayer and responsive readings.

At the conclusion of the service, a hospitality committee of "dedicated volunteers" served punch and pastries from a refreshment table decorated with gay floral arrangements.
